WINTER 17-18  
COLLECTION

## NICE TO MEET YOU

Collection A is a fashion accessories brand for women that's all about mixing and matching. It has its origins in various Dutch companies with a proud heritage (since 1894!), that have combined their efforts to provide you with a wide range of fashion items.

It is our mission to inspire you with stylish accessories that are always on trend and with a focus on good quality, in a sustainable and fair manner. All of them passionately designed by our own creative team, that is dedicated to designing and coordinating to ensure originality and creativity.

Our strength is the variety of fashion accessories we offer: scarves, hats, jewellery, bags, belts, watches and more. To combine endlessly.

This season is all about colours: everything in one shade or just in the mix. It's up to you to combine the trends we offer into your own unique look.

As said, true to our spirit, it's all about mixing and matching.
